ABOUT

The wet & dry heat bain marie hot cupboard forms part of the Glide range of mobile dining carts - a choice of cold, hot & ambient commercial catering carts that combine to form a food service counter solution as unique as your requirements !

The wet & dry bain marie hot cupboard (no gantry) features a bain marie section with removable container supports, formed in the worktop to accept up to 150mm deep Gn pans (not included). The Gn pans can be heated by either dry heat or by water from a filled tank with suspended heat elements underneath. A water level fill indicator & manual swivel drain are included. The hot cupboard underneath uses fan blown heating to evenly distribute heat around the cupboard space. The model is made in 4 sizes to suit your service layout.

Behind lift-off rear sliding s/steel hot cupboard doors, are two tiers of removable, height adjustable grid shelves for plate/ container storage. The wire shelves distribute heat around the cupboard and support plate holding, dish storage or up to ten 1-1 Gn size (150mm deep) gastronorm containers (not included), depending on the cupboard size. The front/side base panels are finished in leathergrain plastisol steel, colour merlin grey (BS 18B25). Each model comes with lockable castors.

ACCESSORIES & FINISHES

Folding Steel Solid or Tubular Tray Slides.

Drop down tray rails or slides + 40mm (d) height = (h) - 55mm.

Selection Of Colour Finishes To Bases.

11 alternative choices of durable steel, colour & wood effect for the external front/ side base panels.

Selection Of Bain Marie Inserts.

A choice of glass hotplate adaptors for short term holding, a spiked carvery insert & dual 4 litre soup/ gravy container insert - for use with hot gantry option - are available.

GANTRY OPTIONS

Heated Gantry & Island Heated Gantry.

A reversible self help/ assisted service glass heated gantry or island gantry option provides top heat to the surface of food being held in the bain marie.

HEIGHT OPTIONS

Low Height Model (Glide Junior).

850mm or 800mm high options for junior/ primary use.

FEATURES

Model Type.

The Glide wet & dry bain marie hot cupboard is a mobile bain marie & hot cupboard with full front/ side fascia panels. The s/steel bain marie worktop has welded tank, fill level indicator & swivel drain under. Heating elements are suspended under the tank to allow dry or wet use. The fan assisted hot cupboard has two tier wire rack shelving. Each shelf is adjustable in height and removes for cleaning. The rear s/steel sliding doors also remove.

Model Dimensions.

The wet & dry BM hot cupboard is available as 2-1Gn (825mm), 3-1Gn (1175mm), 4-1Gn (1525mm) & 5-1 Gn (1875mm) long x 700mm (D), 900mm (H) & has locking castors.

Model Finishes.

Base and outer end panels in plastisol steel, colour merlin grey. The bain marie worktop & tank are made from 304 gd s/steel & the rear facing doors & surfaces are in 430gd.s/steel.

Finishes & Options.

The wet & dry BM hot cupboard can be customised with many accessories, like tray slides, tray rails, colour finishes, heated/ island gantries, low height versions for junior/ primary age use & a selection of bain marie inserts and adaptors.

A wall sited version of this BM hot cupboard is also available, for alcoves or recesses, c/w front facing sliding s/steel doors, gantry & colour finishes for the base cupboard rear & sides. (See separate model GWSHBMW2-5).

Power Supply.

The cupboard is supplied with a 3m lead & 13 amp UK plug (13A 230v 50Hz). Models with the hot gantry option above 3kW are fitted with either 16A or 32A commando plug.

Equipment Conformity.

CE & UKCA Certified equipment.

Temperature Controls.

The independently controlled bain marie & fan assisted hot cupboard each have thermostat control. Gantry option & mains power are operated by individual neon indicator switches.
