Soup Station Assisted Service Top (Operator Side)

Soup Station Assisted Service Top (Customer Side)

↶ = Self Help Top

## ABOUT

The soup station dry heat bain marie & ambient storage cupboard forms part of the Glide range of mobile dining carts - a choice of cold, hot & ambient commercial catering carts that combine to form a food service counter solution as unique as your requirements !

**Reversible Top.** The soup station has a reversible bain marie insert within a s/steel worktop and is available as 2-1Gn size, 825mm(l) 700mm(d) x 900mm(h). Standard insert position is **Assisted Service** = 2x 4.5 lt. soup pots to front, 1x drip tray to rear. Optional insert position is **Self Help** = 1x drip tray to front, 2x 4.5 lt. soup pots to rear. (The insert lifts out for reversing to a self help position & allows simple repositioning of the suspended hairpin heating element under).

The ambient storage cupboard underneath has 2 tier adjustable internal grid shelves, both are removable for cleaning. The rear sliding s/steel cupboard doors are also removable for access. The front/side base panels are in leathergrain plastisol steel, colour merlin grey (BS 18B25). The unit has lockable castors and control panel to operator side. It is supplied with a 3m lead and a 13A UK plug top (0.75 Kw). The soup station features thermostatic control & a neon mains power on/off switch.

## ACCESSORIES & FINISHES

**Folding Steel Solid or Tubular Tray Slides.**  
Drop down tray rails or slides + 40mm (d) height = (h) - 55mm.

## FEATURES

### Model Type.

The Glide soup station is a mobile dry heat bain marie & ambient storage cupboard with full front/ side fascia panels, a reversible s/steel bain marie insert & a cupboard with two tiers of wire rack shelving below. Each shelf is adjustable in height and fully removable for cleaning. The operator side rear s/steel sliding doors are also removable. The soup station features 2 x 4.5 litre containers with notched lids (for ladles) and a removable drip tray section. The containers can be used to hold gravy, custard etc. by adjusting the thermostat control.

### Model Dimensions.

The Soup Station is available as 2-1Gn (825mm) long x 700mm (D), 900mm (H) & has locking heavy duty castors.

### Model Finishes.

Base and outer end panels in plastisol steel, colour merlin grey. The bain marie worktop is made from 304 gd s/steel & the rear facing doors & surfaces are in 430gd.s/steel.

### Low Maintenance.

Easy, cleanable surfaces and a durable design ensure low maintenance for users.

### Finishes & Options.

The soup station can be customised with many accessories such as tray slides, tray rails, colour finishes and low height versions for junior/ primary age use.

A wall sited version of the Soup Station is also available, for alcoves or recesses, c/w front facing sliding s/steel doors, low heights, colour finishes for the base cupboard rear & sides. (See separate model GWSSUP2).

### Power Supply.

The cupboard is fitted with a 3m lead & 13 amp UK plug (13A 230v 50Hz). The unit has a 0.75kW electrical supply.

**Equipment Conformity.** CE & UKCA Certified equipment.

### Temperature Controls.

The Soup Station bain marie features a thermostat control. Mains power is operated by individual neon indicator switch.
