Model Sizes.

The Kubus self help or assisted service ambient patisserie is an open or closed glass front patisserie, available in 600mm, 900mm & 1200mm lengths, ideal for the display of wrapped and unwrapped morning goods, ambient produce and drinks

3 Tier Shelving & Deck Storage Capacity.

The display features 3 toughened glass shelves (adjustable in height & angle) & a s/ steel bottle storage deck below. The glass shelving has product stops & 40mm(h) ticket strip holders to the front edge of each shelf.

LED Lighting.

Canopy & shelf lighting provided in a low energy LED fitting with opaque cover, colour 4000k. Switched lighting control is provided in canopy head.

Model Type: Self Help Ambient Patisserie (Open Rear).

Serve over height open fronted self help display, with open rear loading to four display levels, each illuminated by 4000k LED lighting. Optional rear doors are available.

Model Type: Self Help Ambient Patisserie (Fixed Back).

This open fronted self help ambient patisserie is supplied for wall sited use, with stainless steel back panel for positioning in an alcove, against a wall or back to back, forming a central island grab and go station !

Each of the four display levels are illuminated by 4000k LED lighting.

Model Type: Assisted Service Ambient Patisserie (Open Rear).

Features a full glazed front screen that tilts forward for cleaning. Re-stocking access is through the open rear to all four display levels. Diffused LED lighting is included to each level. Optional factory fitted rear doors are available.

Panoramic Glass Side & Top Panels

Top glass allows for serve over operation & side glass panels add natural lighting.

Model Dimensions.

600mm/ 900mm & 1200mm (L) x 750mm (D) x 1423/ 1433mm (H).

Finishes.

Base panels finish plastisol steel, colour black (BS 00E53). Worktop & rear frame 430gd s/steel, deck area 304gd s/steel, toughened glass shelving.

Power Supply.

Supplied with 3m lead & 13 amp UK plug (13A 230v 50Hz).

Equipment Conformity. CE & UKCA Certified equipment.

ABOUT

The open rear ambient patisserie is ideal for displaying confectionery, fruit, baked goods or drinks & forms part of the Kubus range of freestanding serve over height patisseries - a choice of cold, hot & ambient commercial displays to suit either self help or assisted service retail operations.

The open rear patisserie is available as self help or assisted serve with optional rear doors for loading. A wall sited self help model with fixed steel back panel is also offered.

The Kubus self contained display is available in three different lengths, all with adjustable height, lockable levelling castors to easily position the equipment around your serving space.

The display comprises four ambient display levels, each illuminated by 4000k LED lighting - perfect for presentation of fruit and other morning goods. The display also features 3 tiers of sturdy glass shelving and a steel merchandising deck - each shelf is fitted with 40mm point of sale ticket strips.
