ABOUT

The wall sited wet & dry heat bain marie hot cupboard forms part of the Glide range of mobile dining carts - a choice of cold, hot & ambient commercial catering carts that combine to form a food service counter solution as unique as your requirements !

The wall sited bain marie hot cupboard (no gantry) fits neatly against walls, in an alcove, recess or back to back when used as island units. The cupbd. features a bain marie top & removable container supports, formed in the worktop to accept up to 150mm deep Gn containers (not included). The Gn pans can be heated by either dry heat or by water from a filled tank with suspended heat elements underneath. A water level fill indicator & manual swivel drain are included within the welded bain marie tank.

The hot cupboard uses fan blown heat to evenly distribute heat around the cupboard. The model is made in 4 sizes to suit servery layout. Behind lift-off front facing sliding s/steel cupboard doors, are two tiers of removable, height adjustable grid shelves for plate/ container storage. The wire shelves help distribute heat around the cupboard and support up to ten 1-1 Gn size (150mm deep) Gn containers, depending on the cupboard size. The rear & side base panels are finished in leathergrain plastisol steel, colour merlin grey (BS 18B25). Each model comes with lockable castors.

ACCESSORIES & FINISHES

Folding Steel Solid or Tubular Tray Slides.

Drop down tray rails or slides + 40mm (d) height = (h) - 55mm.

Selection Of Colour Finishes To Bases.

11 alternative choices of durable steel, colour & wood effect for the external rear/ side base panels.

****Front sliding cupboard doors are retained in a s/steel finish****

Selection Of Bain Marie Inserts.

Glass hotplate adaptors for short term holding, a spiked carvery insert & dual 4 litre soup/ gravy container insert, all designed for use with the hot gantry option, are available.

HEIGHT OPTIONS

Low Height Model (Glide Junior).

850mm or 800mm high options for junior/ primary use.

GANTRY OPTIONS

Heated Gantry.

A heated self help gantry option provides essential top surface heat for the food in the bain marie containers below.

FEATURES

Model Type.

The wall sited wet & dry bain marie hot cupbd. is a mobile bain marie & hot cupboard with full rear/ side fascia panels. The s/steel bain marie worktop has welded tank, fill level indicator & swivel drain under. Heating elements are suspended under the tank to allow dry or wet use. The fan assisted hot cupboard has two tier wire rack shelving. Each shelf is adjustable in height and removes for cleaning. The front facing customer side s/steel sliding cupboard doors are also removable.

Model Dimensions.

The wet & dry BM hot cupboard is available as 2-1Gn (825mm), 3-1Gn (1175mm), 4-1Gn (1525mm) & 5-1 Gn (1875mm) long x 700mm (D), 900mm (H) & has locking castors.

Model Finishes.

Rear and outer end panels in plastisol steel, colour merlin grey. The bain marie worktop is made from 304 gd s/steel & the front facing sliding hot cupboard doors are made in 430gd. s/steel.

Low Maintenance.

Easy, cleanable surfaces and a durable design ensure low maintenance for users.

Finishes & Options.

The wet & dry BM hot cupboard can be customised with many accessories, like tray slides, tray rails, coloured side/ rear finishes, heated gantry, low height versions for junior/ primary age use & a selection of bain marie inserts, soup/ gravy containers & adaptors.

Power Supply.

The cupboard is supplied with a 3m lead & 13 amp UK plug (13A 230v 50Hz). Models with the hot gantry option above 3kW are fitted with either 16A or 32A commando plug.

Equipment Conformity.

Temperature Controls.

The independently controlled bain marie & fan assisted hot cupbd. each have thermostat control. Gantry option & mains power are operated by individual neon indicator switches.
