

# Wall Sited Ceran Top Hot Cupboard

Wall Sited Ceran Top Hot Cupboard (Rear Side)

Wall Sited Ceran Top Hot Cupboard (Customer Side)

## ABOUT

The wall sited ceran top hot cupboard forms part of the Glide range of mobile dining carts - a choice of cold, hot & ambient commercial catering carts that combine to form a food service counter solution as unique as your requirements !

The wall sited ceran top hot cupboard (no gantry) fits neatly against walls, in an alcove, recess or back to back when used as island units. The ceran top hot cupboard (no gantry) features a heated ceramic glass hotplate section formed in the worktop, that accommodates 1-1 size flat btm. Gn containers or dishes with lids (not included). The model is made in 4 sizes to suit service layout.

The hot cupboard below uses fan blown heating to evenly distribute heat around the cupboard. Behind lift-off front facing sliding s/steel cupboard doors, are two tiers of removable, height adjustable grid shelves for plate/ container storage. The wire shelves help distribute heat around the cupboard and support up to ten 1-1 Gn size (150mm deep) Gn containers, depending on the cupboard size. The rear & side base panels are finished in leathergrain plastisol steel, colour merlin grey (BS 18B25). Each model comes with lockable castors. The hot cupboard has thermostatic control. The ceran top & mains power are controlled by neon on/off switches. Gantry options are also controlled by a neon on/off switch.

## ACCESSORIES & FINISHES

### Folding Steel Solid or Tubular Tray Slides.

Drop down tray rails or slides + 40mm (d) height = (h) - 55mm.

### Selection Of Colour Finishes To Bases.

11 alternative choices of durable steel, colour & wood effect for the external rear/ side base panels.

**\*\*Front sliding cupboard doors are retained in a s/steel finish\*\***

### Optional Sit-On Spiked Carving Adaptor.

An optional sit-on spiked carving insert & juice collection tray with supporting frame are available for use on the worktop with the hot gantry option.

## HEIGHT OPTIONS

### Low Height Model (Glide Junior).

850mm or 800mm high options for junior/ primary use.

## GANTRY OPTIONS

### Heated Gantry.

A heated self help gantry option provides top heat to the surface of food being held on the ceran top below.

## FEATURES

### Model Type.

The Glide wall sited ceran top hot cupboard is a mobile hotplate & heated storage station with full rear/ side fascia panels, a s/steel & ceran worktop with fan assisted hot cupboard below. The cupboard has two tiers of wire rack shelving. The front facing rear s/steel sliding doors are removable. Each shelf is adjustable in height & removable for cleaning.

### Model Dimensions.

The ceran top hot cupboard is available as 2-1Gn (825mm), 3-1Gn (1175mm), 4-1Gn (1525mm) & 5-1 Gn (1875mm) long x 700mm (D), 900mm (H) & has locking castors.

### Model Finishes.

Rear and outer end panels in plastisol steel, colour merlin grey. The worktop housing ceran top glass is made from 304 gd s/steel & the rear facing doors & surfaces are 430gd.steel.

### Low Maintenance.

Easy, cleanable surfaces and a durable design ensure low maintenance for users.

### Finishes & Options.

The cupboard can be customised with many accessories such as tray slides, tray rails, coloured rear/ side panel finishes, heated gantry, low height versions for junior/ primary age use & a sit - on spiked carving adaptor.

### Power Supply.

The wall sited cupboard is supplied with a 3m lead & 13 amp UK plug (13A 230v 50Hz). (5/1Gn model with hot gantry = 16A commando plug).

**Equipment Conformity.** CE & UKCA Certified equipment.

### Temperature Controls.

The hot cupboard has thermostatic control, the ceran top & mains power are controlled by neon on/off switches. The hot gantry options are also controlled by neon on/off switches.
