# CED FABRICATIONS LTD

## Ready To Serve

With 3 manufacturing sites to better target our customers needs, CED are one of the most successful UK manufacturers of commercial catering equipment, with over 150 dedicated employees providing an extensive range of kitchen equipment.

At CED we pride ourselves on our innovative, stylish and reliable ranges of bespoke and standard commercial catering equipment.

As we continue to gain market share, our merger with Tournus Equipement confirms CED's investment in future business growth. At the heart of our positive growth lies continued investment in ourselves. Staff training, product development, design software, component sourcing and manufacturing plant & processes.

The Tournus manufacturing partnership has enabled CED to extensively increase our UK product range like never before, introducing many new innovative commercial kitchen products, from plate dispensers to serving trolleys and beyond, all available in our Tournus Equipement Price List.

CED's unequalled capacity to fulfil our customers many diverse requirements, simply increases year on year. Whether that need is for kitchen fabrication components, the latest in energy efficient drop in displays and patisseries, or the most complex of bespoke servery counters. With a fleet of delivery vehicles operating from three fully equipped manufacturing and stock holding facilities, we're ready to serve !

Howard Rishton  
Managing Director.

# WALL & CENTRE BENCHES

## Designline Made-To-Measure Range

Wall Bench

Centre Bench

### Main Features

- Wall Bench: Wall sited commercial s/steel solid top wall bench.
- Centre Bench: Free standing commercial s/steel solid top centre bench.
- Worktop constructed in 304 gd (1.5 thk.) s/steel supported on 30 x 30 box section 430 gd (1.2 thk.) and fully welded framework.
- Welded low level 430 gd (1.2 thk.) s/steel storage under-shelf.
- Available in 600, 900, 1200, 1500, 1800, 2100, 2400, 2700 & 3000 mm standard lengths.
- Each bench length is also available up to 850mm deep.
- Standard bench height is 900 mm – to suit most kitchen area back counters.
- Steel worktop features 50 mm down stand to each edge.
- Wall Bench: 50 mm splashback/wall up stand to rear of worktop.
- Centre Bench: Can be used as an island unit.
- Wall Bench: Legs inset 100 mm to the rear, to allow for service pipework behind.
- Centre Bench: Legs inset 25 mm to the rear & 50 mm at each end of worktop.
- Frame fitted with flanged levelling feet for mechanical fixing to floor surface.
